**Club events**

Type B events signing on forms should be used, which should be fully completed by competitor. Use a separate signing on form for each event. These forms should be filed by TT Secretaries and forwarded to District Treasurer at the end of the year, together with CTT levy of £2 per rider per event. You cannot advertise club events in the manner of open events. Weekend events are restricted to promoting club riders. They should not take place within 30 miles of an open event. Events exceeding 50 miles and non standards events are exempt. Numbers in brackets indicate the maximum number of riders allowed.

**START TIMES FOR CLUB EVENTS 2012**

Competitors in evening events in the SEDC must finish at least half an hour before sunset. The last person should be able to finish within 5 minutes of the times listed below.
